

UNIVERSITY OF ILLINOIS AT CHICAGO

TALENT RELEASE AUTHORIZATION FORM AND WAIVER

Name: _____
(please print)

This Waiver and Release (“Waiver”) is made by me (“I” or “me”) as a guest lecturer for and in favor of The Board of Trustees of the University of Illinois (“the University”).

I hereby unconditionally and irrevocably grant, release and authorize the University and its designees the perpetual right to use my recorded image and voice in the pursuit and promotion of the University’s three-part mission of academics, research and public service. Faculty, administration, and staff of the University have invited me to serve as a guest lecturer in the University course offering [INSERT COURSE NAME AND NUMBER] (“the Course”) and are recording my image and voice in video and audio, and may make my image and likeness available for online use.

I agree that as a participant in the recording of the Course, I may be contributing quotations, text, phrases, slogans, or other copyrightable works of authorship (collectively “Contributions”) to University.

I authorize these recorded images of me, as well as audio of my voice, and my Contributions, to be published on the University’s web site(s); to be included in publication(s) such as newspapers, magazines or other printed material; and/or to be broadcast in film, by radio, television, live web streaming, CD’s, DVD’s or other electronic media that will be developed in the future. I understand that the World Wide Web has an international audience, and that the recorded images and recorded audio and Contributions may be made available on the World Wide Web.

I hereby agree that the University owns all right, title and interests, including all intellectual property rights, in and to the video and audio recordings of the Course, free from any claim thereto by me or any other person. To the extent I own any copyrights or any other right, title, or interest in the Contributions, I hereby grant to the University a non-exclusive, royalty-free, perpetual, irrevocable and worldwide permission and license to reproduce, use, distribute, publicly perform, publicly display and to create derivative works of such Contributions, as well as my name, likeness, image, voice, appearance, performance, biography, or composition (collectively “Use Materials”). To the extent any applicable law or treaty prohibits the transfer or assignment of any moral rights or rights of restraint I may have in the Use Materials, I hereby waive such rights as to the University, its successors, licensees, or assigns.

I represent and warrant that I am at least 18 years old, and that I have the right, capacity and authority to enter into this agreement and that my participation in the Course is voluntary, and the rights I have granted do not conflict with or violate any commitment or

understanding that I have with any other person and entity. I expressly release the University from any and all claims, liability, injury, loss or damage arising out of this release, any use of the audio and video recordings, and any rights I have granted to University herein. I will indemnify and hold the University harmless from and against all claims, losses, expenses and liabilities of every kind, including reasonable attorney's fees, arising out of any inaccuracy in my representations or warranties herein, or my breach of any provision of this agreement.

Nothing herein obligates University in any way to reproduce or use any Use Materials. In consideration for this Waiver, University will provide attribution in its records for the Use Materials, but may, in its sole discretion, omit such attribution if and when the Use Materials are used. I hereby acknowledge the receipt and sufficiency of all consideration in connection with this Waiver.

I understand and agree this authorization and release is perpetual and does not expire.

I understand that I have no right or interest in the Course, the video and audio recordings of the Course, or any copyrights therein (or in any part of the Course or its copyright), or any benefits derived from the Course, and to the extent that I could be deemed to have any, I hereby irrevocably assign all such rights and interests to the University.

This agreement shall be governed by and interpreted and enforced in accordance with the laws of the state of Illinois, excluding its choice of law provisions.

This agreement may be amended only as mutually agreed to by both parties in writing.

I have had the opportunity to ask questions and address any and all concerns, and agree to the above.
